For Immediate Release:

Press Release – Early Closing Today at 4 p.m.

December 4, 2015 – All Town of Taos offices will be closing today at 4:00 p.m. so that Town employees can participate in the 29th Annual Yuletide Caroling and Tree Lighting event at Taos Plaza.

This event is sponsored by the Town of Taos and Taos Optimist Club and begins at 4:00 p.m. There will be a lot of great entertainment and the lighting is expected to be even bigger and better than last year! Thanks to the efforts of the Town's Special Events Department, many other Town Departments and lots of volunteers, an evening filled with holiday cheer is planned.

As a safety precaution, Taos Plaza will be closed today to vehicular traffic from 12:00 p.m. to 12:00 a.m.; however, the Taos Plaza Merchants will be open to foot traffic.

Free event parking will be available at Our Lady of Guadalupe Church, Loretto Parking Lot, Town Hall and Taos Public Library. After 5:00 p.m. all metered parking lots will be free. For handicap parking and for people requiring ADA access to the event there will be extra parking at Guadalupe Parking Lot, and a designated area next to the McCarthy Parking Lot directly behind the old County Courthouse. After 5:00 p.m. the US Bank Parking Lot will also be available for people requiring handicap parking.

Please join us for this wonderful start to the holiday season.

Happy Holidays from the Mayor, Council and Town Manager!
