For Immediate Release:

Press Release - Live Streaming of Town Council Meetings

The Town of Taos has purchased a new system for broadcasting live and archiving its Town Council Meetings. Meetings will no longer stream live at www.taos22.com. Instead the public can view the meetings live from the Town's website at www.taosgov.com (click the link on the right hand side that states "Watch Live Webcast"). Or you can click this link to go directly to the website: <http://taosnm.swagit.com/live/>. Unfortunately, meetings will not be viewed on Comcast Channel 22 at this time.

With this new system, once the video recording is indexed, viewers will be able to go directly to the discussion they are interested with the simple click of an agenda item. An archive of Town Council Meetings, Planning and Zoning Commission Meetings and Historic Preservation Commission Meetings will be soon available on the website and can currently be viewed at www.taos22.com.

If you are interested in viewing a meeting that has already taken place and is not currently on the website or at www.taos22.com, please contact the Town Clerk's Office by email at rlucero@taosgov.com or call (575) 751-2005.

The Town of Taos thanks you for your patience during this transition. Glitches are to be expected, but will be worked on immediately as they arise.
