***For Immediate Release:***

**STREET RESURFACING FALL 2016**

**Tuesday, August 29, 2016 – Taos, NM**

The Town of Taos in conjunction with their contractor Cutler Repaving has begun pavement rehabilitation work on various streets throughout the Town.

The roadways selected for treatment are Salazar Road, Albright Street, Gusdorf Road from Gusdorf Place to north of Camino de Santiago, and Placita Road from Don Fernando Street to north of Town Hall Drive.

Work has commenced at the intersection of Salazar Road and Ranchitos Road and will progress southward. The hours of operation will be 7:00 am – 6:00 pm Monday through Friday and some Saturdays (unless prohibited by weather). One driving lane is expected to remain open and traffic control will be installed and maintained daily.

Please use alternate routes whenever possible. Please use caution on milled roadways as they are a rough driving surface.

Updates will be posted weekly. Thank you for your patience as we continue to improve the infrastructure of our community.
