For Immediate Release:

PRESS RELEASE

Taos Tree Board Developing a Community Forest Health Management Plan and Tree Ordinance

On March 15, 2016, at the Taos Council Chambers at 120 Civic Plaza Drive, Taos, New Mexico from 5:00 - 7:00 p.m., Paul Bryan Jones, Town of Taos contracted certified and consulting arborist and the Taos Tree Board will host a public forum to solicit input for the development of a comprehensive tree management plan for the Town of Taos.

The meeting is an open invitation for comments and suggestion for this proposed community-based tree management plan and ordinance. The public is welcome to come and enjoy an evening of idea exchanges and wishes for future tree improvements in Taos.

Your involvement as a community member is vital in developing a tree management plan and ordinance that will improve, protect and preserve our community forest. Our tree canopy cools our town, protects the land from floods and improves our health and wellbeing.

If you cannot attend please email comments and requests to: Paul Bryan Jones pbitrees@gmail.com, taostreeboard@gmail.com.

-End-

TOWN OF TAOS GOVERNING BODY
