For Immediate Release:

Press Release - Taos Tree Board Public Forum

Paul Bryan Jones, Vice Chair of the Taos Tree Board, and Taos Tree Board members will host a third public forum to solicit input for the development of a comprehensive tree management plan for the Town of Taos. On April 11, 2016 from 5:00 – 7:00pm there will be a public meeting at the Taos Civic Center in the Council Chambers at 120 Civic Plaza Drive.

This is an open invitation for comments and suggestions for the community-based tree management plan and ordinance proposal. The public is welcome to come and enjoy an evening of idea exchanges and wishes for future tree improvements in Taos. Learn about trees in our challenging environment.

Your involvement as a community member is vital in developing a tree management plan and ordinance that will improve, protect and preserve our community forest. Our tree canopy cools our town, protects the land from floods and improves our health and wellbeing.

If you cannot attend please email comments and requests to: Paul Bryan Jones, taostreeboard@taosgov.com.
