For Immediate Release:

New Public Records Request Online Portal

The Town of Taos is excited to announce the launching of a new online public records request portal. The new portal can be accessed on the Town's website at [Taos NM Public Records Center](#).

Public records requests continue to increase and the portal will help staff manage and respond to requests more efficiently. Furthermore, the portal is extremely user friendly allowing our citizens to easily submit their requests and provide specific details to expedite their requests. Interested citizens will be able to create their own account and submit requests directly from their account. Creating an account will give users the ability to view the status of their current request as well as previous requests.

The Town Clerk will provide a live demonstration on how to set up an account and submit a request at the Regular Town Council Meeting on Tuesday, March 14, 2017 at 3:00 p.m. The presentation can be viewed in person at the Town Council Chambers, located at 120 Civic Plaza Drive, or via a live webcast at [this link](#). The presentation will be listed at the beginning of the agenda.

As always, if citizens need support or have questions, they can contact the Town Clerk's Office at (575) 751-2004 or (575) 751-2005.
