For Immediate Release:

Press Release - Historic District Street Resurfacing Update

October 12, 2105 -

Pavement resurfacing will take place on the final leg of Ledoux Street beginning at 7:00 AM on Tuesday, October 13, 2015.

Pavement resurfacing on Don Fernando Street is nearly complete with final completion scheduled for tomorrow morning beginning at approximately 10:00 AM. Both lanes of Don Fernando Street will be opened for school traffic in the morning (Tuesday, October 13th) and flagmen will be directing traffic from approximately 10:00 AM to completion.

Paving of Civic Plaza Drive will begin early afternoon on Tuesday, October 13, 2015, and will continue throughout the day. Flagmen will be directing traffic. Civic Plaza Drive is expected to be completed and re-opened to two-way traffic Wednesday morning.

Please use alternate routes whenever possible. Please use caution on milled roadways as they are a rough driving surface.

The process of pavement resurfacing in the historic district has been a long time coming and we will continue towards completion of the project before inclement weather sets in. The contractor is working diligently and understands the sensitive nature of the historic district. Thank you in advance for your continued support and cooperation as it makes a difficult process manageable.

Don Fernando Street milled driving surface before paving application.

Don Fernando Street east from Manzanares.

-End-
