For Immediate Release:

LOW WATER PRESSURE

Tuesday, December 23, 2014 – Taos, NM

Town of Taos customers in the North East quadrant were affected with low water pressure this morning, beginning at 10:20 AM. Damage to a main water line was caused by a private contractor installing underground utilities. The break has been isolated and water restored to 95% of affected customers as of 11:20 AM. Crews remain on site to repair the damage and restore service.

Thank you for your patience.
