**LAST CHANGE TO LOCATION OF MOVIES ON THE GREEN...**

Please disregard yesterday's Facebook post indicating that the movies will now be held at Taos Youth and Family Center. All movies will **CONTINUE AT KIT CARSON PARK**. The last showing will take place on August 12th. *In the event of rain, the Taos Youth & Family Center will be our alternative venue.* The Town of Taos apologizes for any confusion these changes may have caused; however, we are trying to select the best venue for our constituents and must take advantage of this beautiful weather!
