Press Release – New Hours of Operation for Utility Billing

February 3, 2015 -

Effective Monday, February 9, 2015, the hours of operation at the Town's Utility Billing Office will be 8:00 a.m. to 4:00 p.m., weekdays and open through the lunch hour.

Closing at 4:00 p.m. will allow sufficient time for staff to tabulate daily receipts and prepare deposits while police are still available in the building. In addition, overtime costs will be reduced since staff will no longer be required to wait until 5:00 p.m. to begin reconciliation.

Utility customers also have the convenience of accessing their accounts from the Town's website 24 hours a day. Customers can pay their bills, sign up for paperless billing, and set up automatic payments by contacting the Utility Billing office at (575) 751-2019 or going to the [Town's website](#) to register.
