**Press Release - Town Offices Early Closing Today**

**February 23, 2015** – In the interest of public safety, the Town of Taos will be closing for business at 4:00 p.m. today.

While it appears that Taos may receive little or no additional snow today, roads remain slick and temperatures remain below freezing, with no sun. Therefore, the Town Manager has authorized employees to leave one hour early today at so that they can get home safely before driving conditions worsen as it gets dark and traffic builds. If conditions should worsen before then, due to additional snow accumulation and/or visibility, the Town may consider closing earlier and the public will be notified.

We apologize for any inconvenience this closure may cause and we ask you for your understanding.

Please drive slowly and safely!
