FOR IMMEDIATE RELEASE:

Town Supports Community Health Committee

February 13, 2014 – At their Regular Meeting on Tuesday, the Town Council voted to support a joint resolution with Taos County expanding the scope and mission of the Community Hospital Study Committee.

The committee was initially created to address the finances, management and services of Holy Cross Hospital. They now see a need to assess a wider range of community health issues such as childhood obesity. Additionally, the committee is requesting a name change to “Taos Health Advisory Committee” with the intent to continue meeting on a monthly basis.

Councilmember Silva was instrumental in creating the committee and Mayor Darren Cordova thanked him for his involvement and for reporting the committee’s progress to the Council.
