Press Release - Town of Taos Weather Alert

For Immediate Release:

January 22, 2015 - With the National Weather Service projecting no further snow accumulation and moderate temperatures after midnight last night as well as clear road conditions according to NM DoT and or road crews, the Town of Taos *will be open* for business at normal hours today, Thursday, January 22nd.

With schools experiencing a delayed opening, employees should feel free to use personal leave to address family needs during those delays and advise their supervisors accordingly. There is slight blowing snow and some underlying road ice at this time, so please leave extra time and drive carefully when going to work in the morning.

You are all important to us, so be careful and be safe.

Thank you.

Richard Bellis, Town Manager
