As a customer of The Town of Taos, you will be given 15 days from the date a bill is rendered to pay your utility bill. If you do not pay your bill within this period, your account will be considered past due (delinquent). You must pay any delinquent amount within 30 days or your service will be disconnected for non-payment. If your service is disconnected for non-payment, a reconnect fee will be imposed, and you will be required to pay both the reconnect fee and the total due before your service can be restored.

If you fail to pay your utility bills, other fees and penalties will be added to your account and the account will be referred to a collection agency and to an attorney for collection. The Town may cause a lien to be filed on the property. If the lien is filed, the Town may proceed to enforce the lien as provided by New Mexico Statutes.

AGREEMENT FOR USE OF SANITATION CONTAINER(S)

I, _____, am requesting issuance of a sanitation container, furnished to me by Waste Management of New Mexico, for the purpose of storing household refuse only, which will be collected by Waste Management. I will be solely responsible for any other refuse.

I further agree:

1. Not to place liquids, solids, ashes, grass clippings, branches, trees, construction materials, etc... which may cause damage to the container.
2. Not to abuse or misuse the container in any way.
3. If the container is damaged by anyone other than Waste Management personnel, I will be liable for any direct costs for repair.
4. To reimburse the Town of Taos \$60.00 if the container is lost, stolen, or damaged to the point which renders it useless for the intended purpose.
5. I will be liable for leaving the container on the premises if I were to vacate the property. I understand if the container is removed by anyone other than Waste Management personnel my deposit will not be reimbursed to me.

Note:

Pick-up day for your container will be regularly scheduled for the week. This includes the same schedule if pick-up days fall within a holiday. Your container must be out the night before your scheduled pick-up day, container must be accessible for Waste Management to provide services.
