

**TOWN OF TAOS
EMERGENCY DETERMINATION FORM**

The emergency procurement method (NMSA 1978, Section 13-1-127) may only be used when there exists a threat to public health, welfare, safety or property requiring procurement under emergency conditions. The existence of the emergency condition creates an immediate and serious need for services, construction or items of tangible personal property that cannot be met through normal procurement methods and the lack of which would seriously threaten:

1. the functioning of government;
2. the preservation or protection of property; or
3. the health or safety of any person.

I. Name of Department: Public Works

Contact: Tammie Romero, Public Works Assistant

II. Name of Contractor: K-Turbo

Address of Contractor: 1183 Pierson Dr. Unit 118
Batavia, IL 60510

Amount of prospective contract: \$12,056

Term of prospective contract: K-Turbo blower repairs

III. Please thoroughly list the services (scope of work), construction or items of tangible personal property of the contract:

K-Turbo blower service. The town's wastewater treatment blower units are down and a repairs are needed immediately. K-Turbo is the vendor and sole proprietor of the product and parts come directly from K-Turbo. The repair of the blowers is a public health and environmental protection of the downstream water ways protected by the surface waters regulations.

Please see attached quotes for breakdown of work and parts to be provided for the K-Turbo blowers.

IV. Provide an explanation for the justification of the procurement including a description of the practicable competition utilized.

Vendor specific products that are specified for K-Turbo blowers.
