ADDENDUM #1 to RFP 17-18-01**

**SOUND REINFORCEMENT**

**The following are responses to question presented in writing regarding the scope of work:**

Question: On page 9 it seems as we read, that we may be able to only bid this one event? The fourth of July event.

Response: *No, the intent of the RFP is to establish a knowledge based relationship with providers to determine viability of performance for the items listed in the Scope of Work. And to provide costs for specific labor needs as requested in the RFP.*

*The specific events listed were to highlight those known events which have not been booked and production needs are not yet established yet the contractor may anticipate providing the requested services at the current rates, as the information becomes available.*

**Procurement Schedule: The RFP due date and all other information not addressed in this addendum remain unchanged.**
