

The scenic Rio Grande Gorge and Rio Grande del Norte National Monument in Taos, NM

## The Community

The charming, but worldly, Town of Taos provides endless options and experiences for the senses at the cross-roads of the Old West, Spanish Colonial churches and haciendas, live music and a farmers market on the 300 year old Taos Plaza, and the annual Pow Wow at the Taos Pueblo World heritage site.

Stroll through historic art galleries, hotels and saloons, that were once the homes of DH Lawrence, Kit Carson and Dennis Hopper. Treat yourself to free live music seven nights a week and sample our three micro-breweries and two wineries.

Experience art, culture, history, hiking, rafting, ballooning, off-road biking, natural spas and hot springs, a summer of A-list concerts, colorful festivals, millions of acres of parks and public lands and, of course, perfect year-round weather and world class skiing at four ski resorts.

## TOWN ATTORNEY

### Town Mission Statement

Preserve our unique natural landscape, rich culture, and historical architecture while providing a vibrant economy and superior public services.
