### Non-Scheduled Projects

	Project Name	Brief Summary	Status
1.	Taos Green Printing and Trails Plan	Coordinate Town efforts for the Regional Taos Green print and Trail Systems Project.	In Progress
2.	Community Build Out Analysis	GIS Mapping; Develop a build out analysis that will provide guidance to possible development by determining maximum future densities based off current zoning for the Town.	In Progress
3.	One Mile ETZ Overlay	Creation of one-mile extra-territorial zone.	In Progress
4.	Terrain Management, Storm Water, and Erosion Control Requirements	Reformat application intake and review for residential and commercial requirements for the above management plans. Confirm adherence to best management practices.	In Progress
5.	Alternative Designed Commercial - PUD (Micro-designs, Manufactured, Alternative Materials, etc.)	Modify LUDC to develop a commercial based PUD that allows for the possibilities for alternative construction including Micro-Commercial Space. These Alternative PUDs would allow for implementation of business incubation within areas that are currently being under-utilized and reduce barriers to entry for artists and small businesses.	In Progress

## Economic Development Projects

	Project Name	Brief Summary	Status
1.	Affordable Housing Plan	<i>Goal 1</i> ; Develop an Affordable Housing Plan to assist in future conversations related to forming a Town-County Housing Partnership in order to increase the available inventory of affordable housing in the Taos area.	In Progress
2.	UNM Adaptive Reuse Program	<i>Goal 2, Policy 3.1, 3.2</i> ; Develop an inventory and map of current building that are owned and occupied by the Town of Taos. Work with UNM – Taos to determine which buildings could best be utilized by the University for purposes such as classrooms, facilities, or student housing.	In Progress
3.	Annexation Study and Mapping	<i>Goal 4, Policy 4.1</i> ; Provide a detailed inventory and report of properties adjacent to Town Boundaries currently receiving Town services in order to determine future annexation priorities.	In Progress
4.	Traffic Improvements	Downtown Taos, Paseo del Pueblo/Camino de la Placita; <i>Goal 5, Policy 5.2</i> ; Begin scoping and community input process for streetscape and street flow redesign.	In Progress
5.	Taos Community Auditorium Master Plan	<i>Goal 10, Policy 10.1</i> ; Develop inventory of City owned properties along Civic Drive in order to facilitate development of infill and assist in future development of the Taos Community Auditorium Master Plan.	In Progress
6.	Taos County Courthouse Business Incubation and Historic/Cultural Center	14, Policy 14.3; Work with Taos County to develop goals and future steps related to the redevelopment of the Taos County Court House as a Historical and Cultural Center with portions of the building functioning as a Business Incubation facility	In Progress
7.	Local Art Incubation Initiative	Goal 16, Policy 16.1, 16.2; Work to develop a long range art incubation plan that allows development of alternatively designed eco-friendly affordable art space.	In Progress
